**February Month of the Holy Family** - Since the 16th century Catholic piety has assigned entire months to special devotions. The month of February has been primarily associated with the Holy Family, probably due to the feast of Our Lord's presentation at the temple, celebrated on February 2. At the very outset of Christ's work on earth, God showed the world a family in which, as Pope Leo XIII teaches, "all might behold a perfect model of domestic life, and of all virtue and holiness." The harmony, unity, and holiness which characterized this holy Family make it the model for all Christian families.

**In Honor of the Holy Family**

O God, Heavenly Father, it was part of your eternal decree that your only-begotten Son, Jesus Christ, the Savior of the human race, should form a holy family with Mary, His blessed mother, and His foster father, Saint Joseph. In Nazareth, home life was sanctified, and a perfect example was given to every Christian family. Grant, we beseech Thee, that we may fully comprehend and faithfully imitate the virtues of the Holy Family so that we may be united with them one day in their heavenly glory. Through the same Christ our Lord. Amen.
